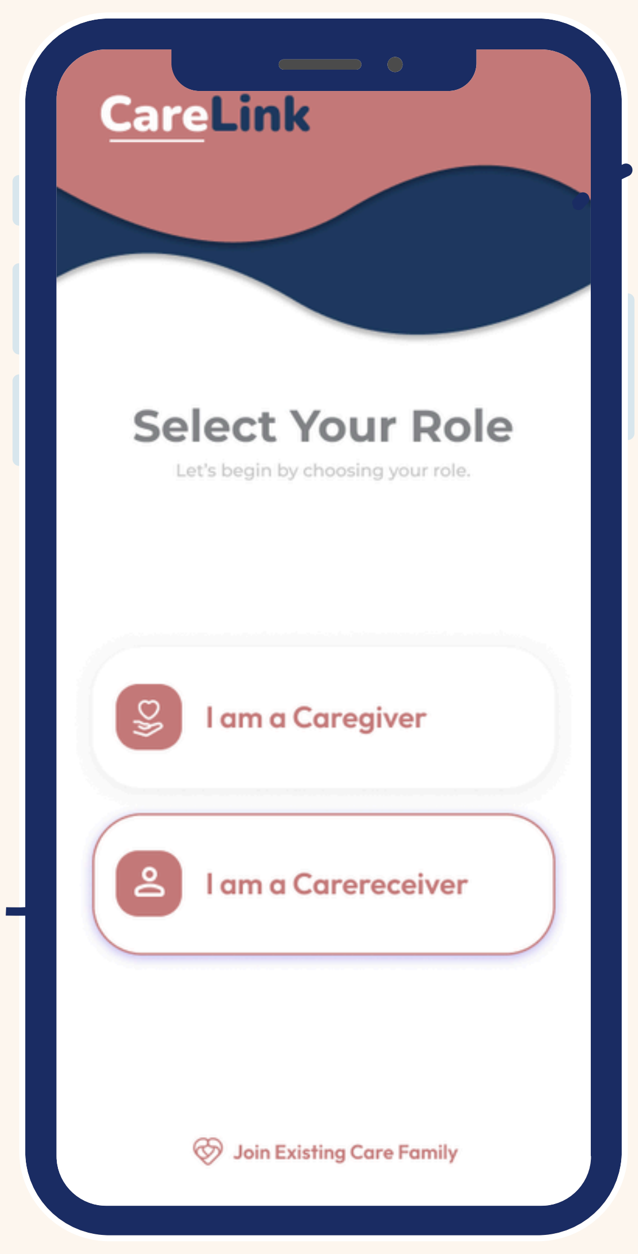
CARE LINK

Stay Connected.
Live Independently

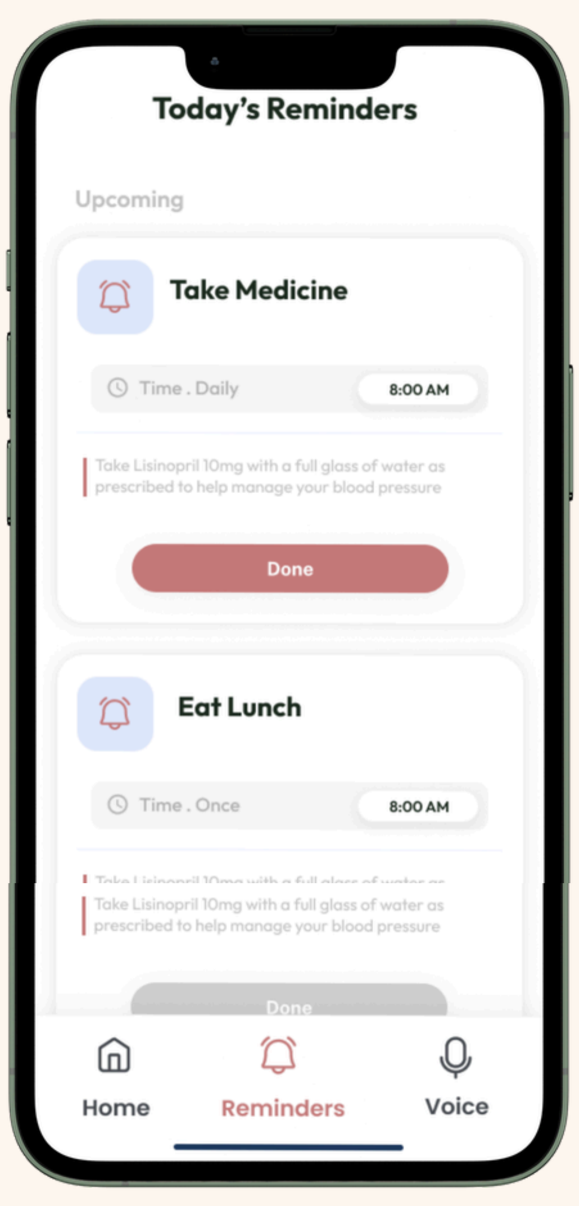
One app, two perspectives : built for how care actually works.

Caregiver or Carereceiver

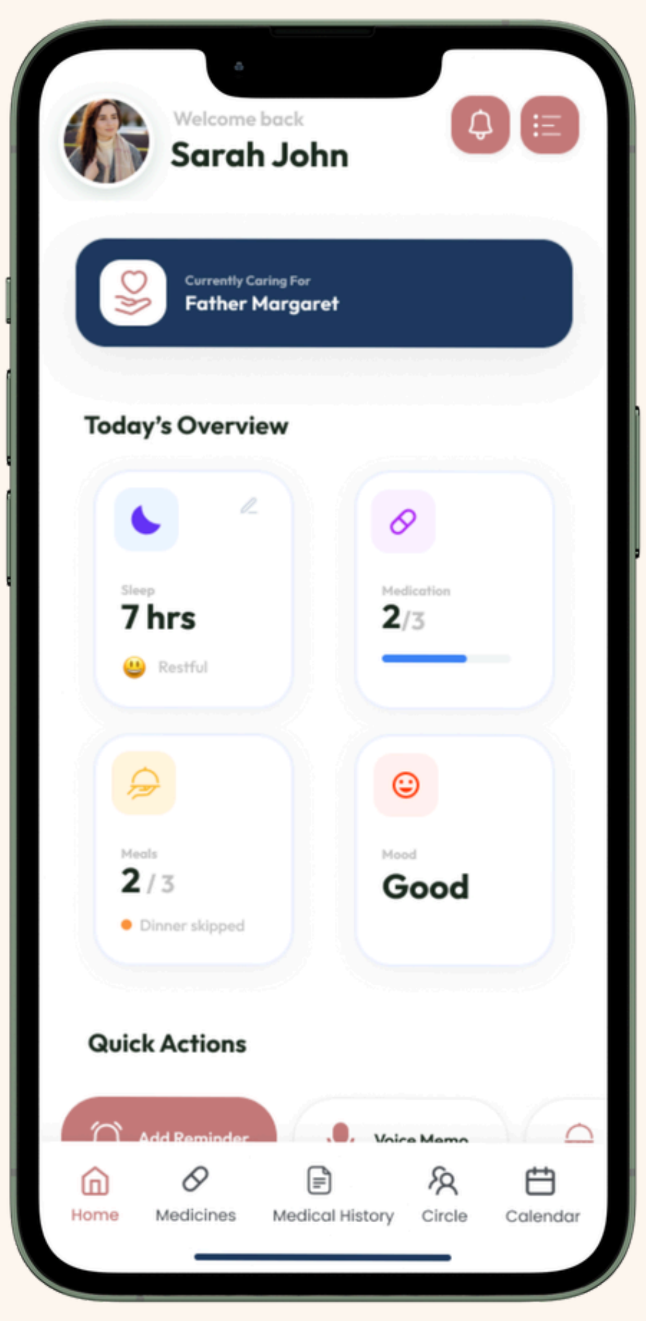


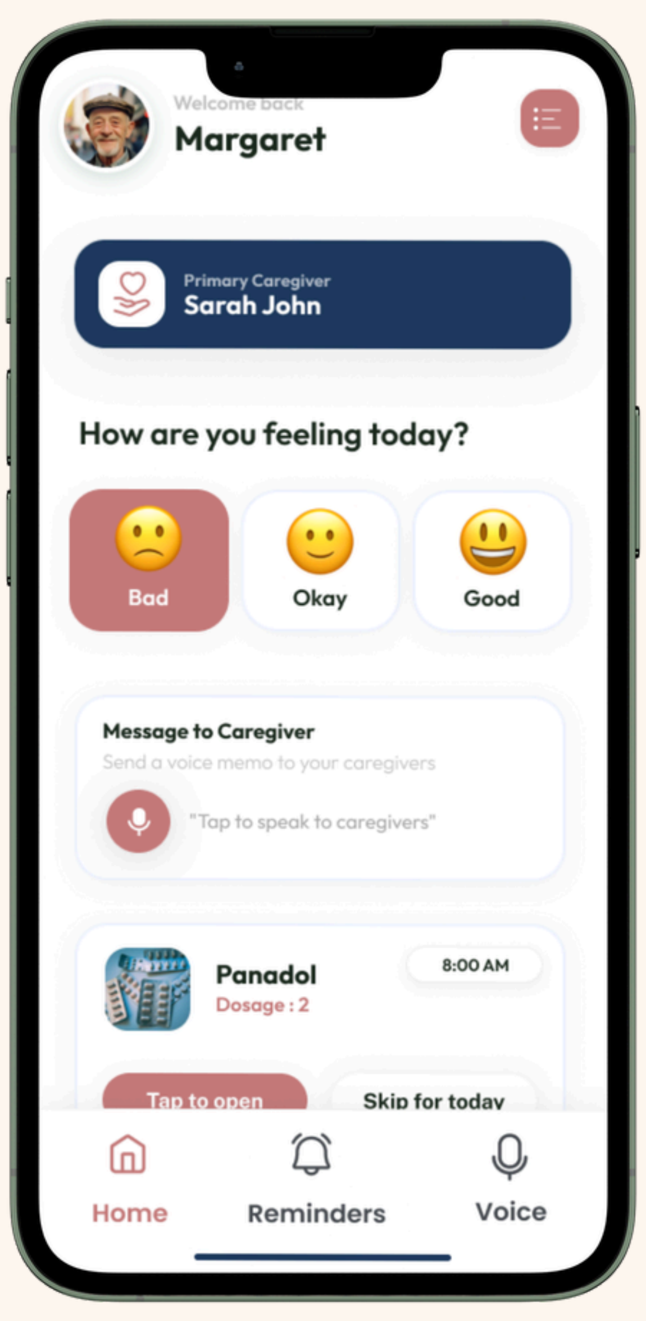
CareLink adapts to you

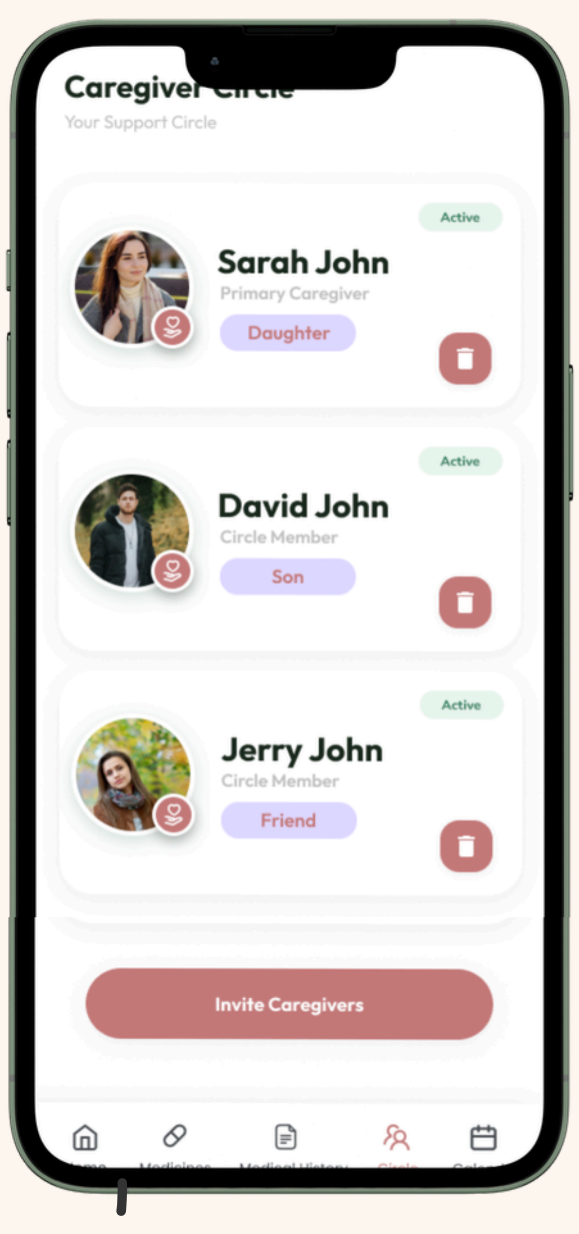
Gentle reminders that
respect independence



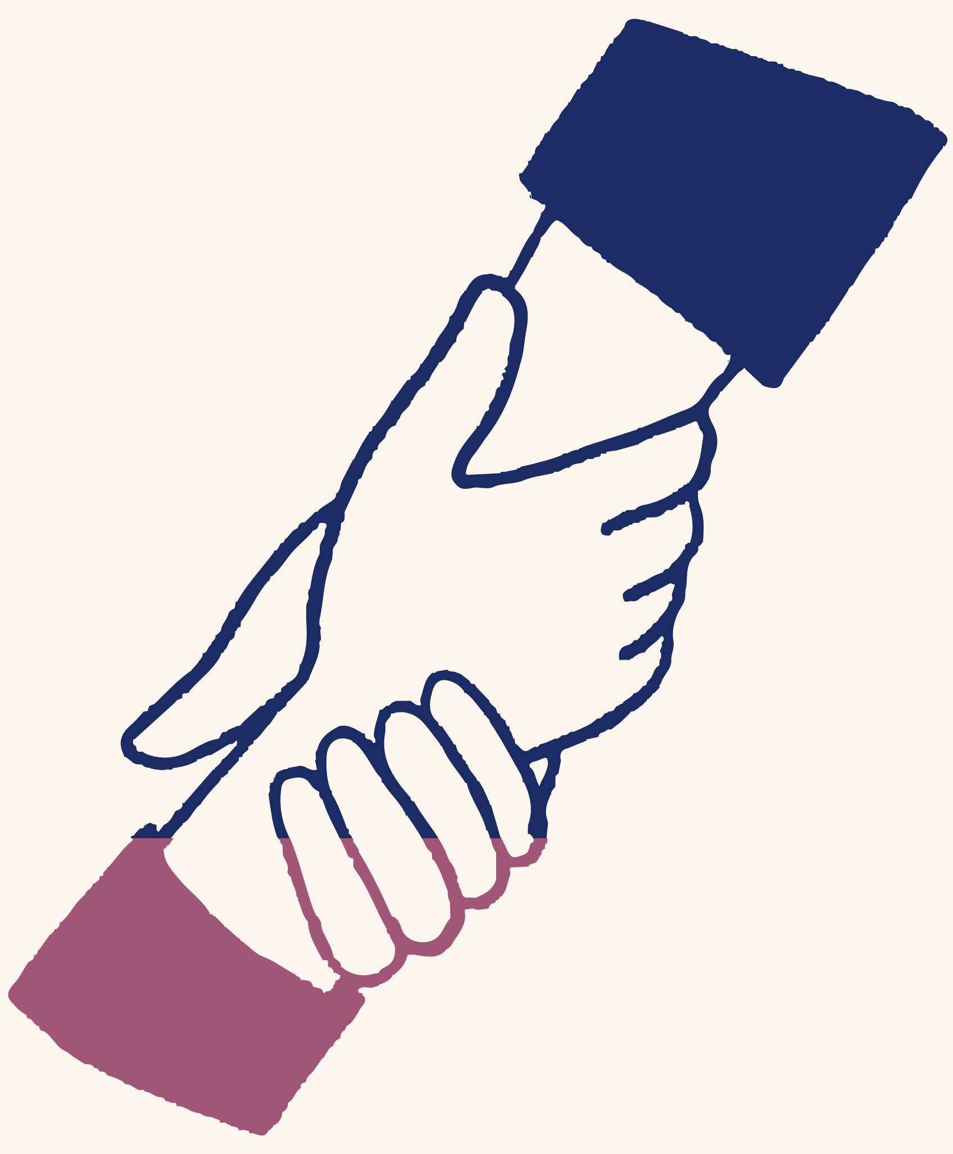
Take Lisinopril 10mg with a full glass of water as prescribed to help manage your blood pressure



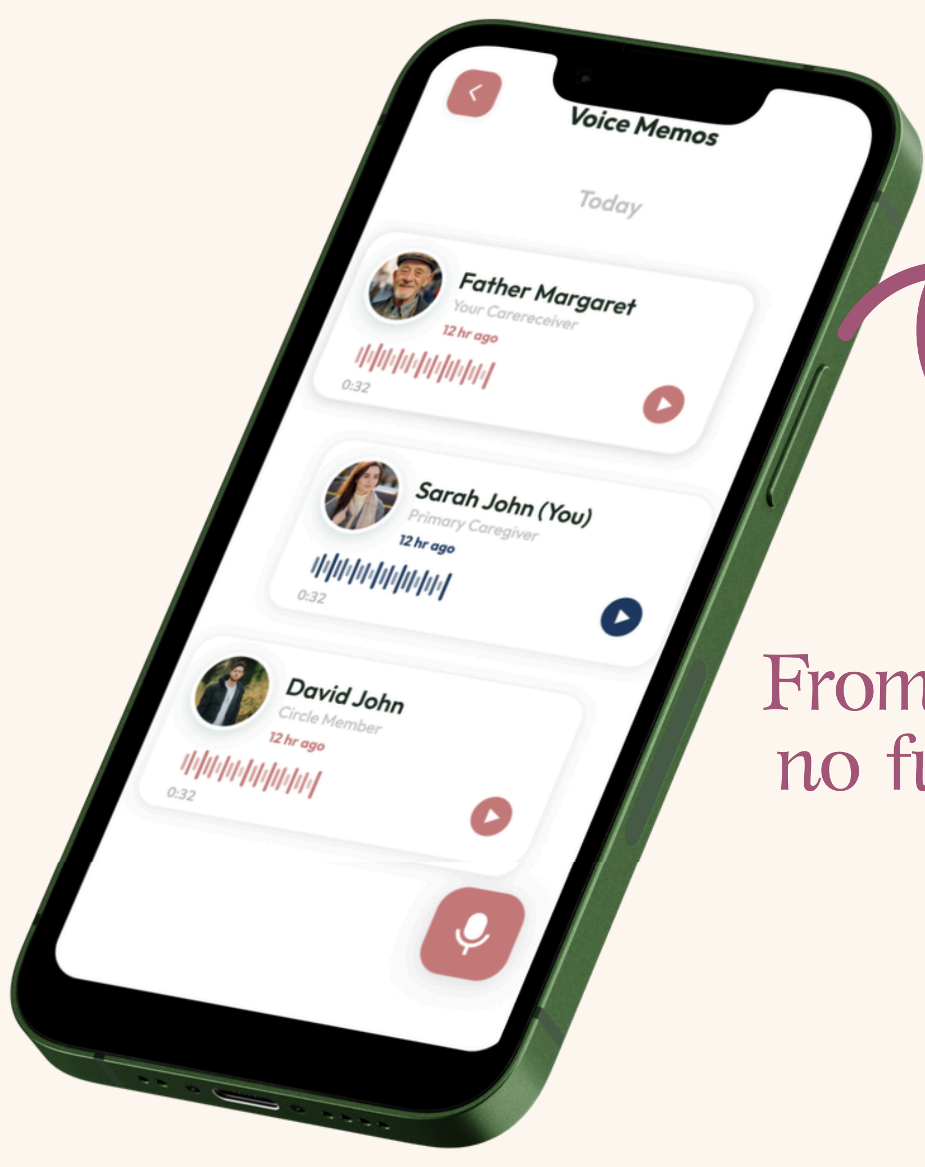




Help, one tap closer.



Everything logged today , medicine, meals, mood : in one timeline



From a voice message to a 911 call
no fumbling when it matters most.

CareLink

because independence and support were never supposed to be opposites
